## Rowing out of Lockdown! - Free Learn to Row sessions

Dear Sir/Madam

Trent Rowing Club is now offering FREE Learn to Row courses for new participants. Please would you be kind enough to share this information with all of your students and parents?

We are happy to take students as individuals or, if you prefer, we can arrange a session specifically for a group from your School. We also have a friendly and welcoming Masters squad so parents are welcome to join in if they would also like to come along.

If you are keen to get involved in something new as we come out of lockdown then please get in touch and come and Learn to Row. Whether you want to get fit or just have some fun and meet new people then please come and get involved. Our Club accepts all ages and abilities.

We are offering a Free 2 day Learn to Row course. The course is run regularly starting from Saturday 1<sup>st</sup> May and involves 2 Sessions 8.00-12.00 on a Saturday and Sunday morning, usually over 1 weekend. Please speak to us if you would like to get involved but cannot commit to both days of a weekend as dates and times can be flexible.

We can also arrange to run daytime week-day sessions for a small group from your school. Please ask us if you would like to consider this.

To book a place please call 07831 298247 or email [learntorow@trentrc.org](mailto:learntorow@trentrc.org).

Yours faithfully  
**TRENT ROWING CLUB**
