### Useful Revision

- CGP combined science revision guide available through ParentPay
- See the KS4 Science pages on Firefly where you will find equation sheets, quick quizzes and lots of practice questions

### Science department top tips for Revision

- Flash cards for learning key terms
- Practice all the questions you can!
- There is a lot to learn in Biology, start learning the names of all of the cells (and their organelles), organs and tissues. Don't stop if you think you understand it, you need to know it!
- Learn all the Physics equations and be able to use them
- Develop your maths skills so that you can do all the calculation questions
