

Blessed Robert Sutton Catholic Voluntary Academy

Academic excellence, Spiritual Development and Social Awareness through Christ

At Blessed Robert Sutton Catholic Voluntary Academy, we strive for excellence in everything we do.

For us, academic excellence is about answering the questions that you want answered. Then it is about asking new questions and finding new answers. It is about being independent in your learning and in your thinking. It is about deepening and extending your knowledge beyond the limits of the school curriculum. It is also, as Einstein tells us, a never-ending process.

Your teachers have produced the Academic Excellence Programme – Super Curriculum to help you take a first step towards academic excellence.

We have recommended things to read, things to watch and listen to, places to visit, and things to do that we think will interest you and stretch your minds. **Now it is over to you!**

"Your talent is God's gift to you; what you do with it is your gift to God." Leo Buscaglia

KS3 Art Super Curriculum

Name of Book

Sketchbook Confidential: Secrets from the private sketches of over 40 master artists – *great inspiration from a variety of artists*

The Story of Paintings: A history of art for children

The Illustrated Story of Art: The Great Art Movements and the Paintings that Inspired them

Write a short book review, explaining what you have learnt about the different artist's work.

Subject Websites/Documentaries/Podcasts

Websites

Documentaries (You Tube)

Sky portrait artist of the year:

<https://www.youtube.com/watch?v=1x1Qi57-vgg>

Great Pottery throw down – Channel 4

Podcasts

Art detective

Talk Art

Art matters

Use these excellent resources to read up on topics that interest you!

Name of Film

Loving Vincent

Mrs Lowry & son

Write a short film review of each film you watch., explaining what you learnt about the artist in the film.

Name Of Task

- Fill a post It note with a different drawing each day for a month, present your 30 post-its at the end and take a photo
- Start an art5 journal – carry it around with you, when you have a spare moment create a quick sketch of what you see eg. your dinner, a bird sat outside your window or your journey to school
- Use the art challenge templates to create your own responses
- Using the theme you are currently studying in art research your own artists and create a response to their work and artist research page

Get inspired using these suggestions, or create some ideas of your own!

KS3 Biology Super Curriculum

Books

Anything by Richard Dawkins. They are quite a high level, so I would perhaps recommend "A Devil's Chaplin" as it is short essays. You can get it on kindle for £3.99 and can start to read a preview on the amazon website. (I love the start of Rivers out of Eden)

https://www.amazon.co.uk/gp/product/B004GHN2ZS/ref=dbs_a_def_rwt_hsch_vapi_tkin_p2_i3

"Why don't Penquin's Feet Freeze?"

"Women in Science: 50 Fearless Pioneers Who Changed the World", Rachel Ignotofsky

"Storm in a Teacup: The Physics of Everyday Life", Helen Czerski

"You Are Awesome", Matthew Syed

Name of Film

Watch Jurassic Park. Then find out how much of it is science fact and science fiction. Other films to watch: The Martian, First Man. Ice Age, Madagascar

Websites/Documentaries/Podcasts

Documentaries:

Any Natural History Type documentaries. I will add examples to the science forum on Firefly.

<https://robertsutton.fireflycloud.net/science/science-forum>

- "An Inconvenient Truth." (its currently free on amazon prime)
- "Seven Worlds, One Planet" – BBC Attenborough documentary.
- "Bang Goes the Theory", BBC series.
- "Supersize Earth", BBC Series
- "Can Science Make me Perfect", BBC iPlayer
- "Bill Nye Saves the World", Netflix

Podcasts:

BBC Sounds has lots of great science podcasts to listen to, some of my favourites are:

- **The Life Scientific** (gives you an idea of what scientists actually do)
<https://www.bbc.co.uk/search?scope=sounds&filter=programmes&q=The%20Life%20Scientific&suggid=urn%3Abbc%3Aprogrammes%3Ab015sqc7>
- **An Infinite Monkey Cage**
<https://www.bbc.co.uk/search?scope=sounds&filter=programmes&q=an+infinite+monkey+cage&suggid=urn%3Abbc%3Aprogrammes%3Ab015sqc7&page=1>
- **Trust me I am a scientist**
<https://www.bbc.co.uk/sounds/play/m0001b1k>
- **Brain On!! (Podcast)**

YouTube

- **Animated Science**

Oak Academy: <https://classroom.thenational.academy/subjects-by-key-stage/key-stage-3/subjects/science>

Name Of Task

Things to do:

Things to do:

Write a book review, documentary or Film Review. Keep it to one side of A4 imaging it is going into a newspaper, magazine or Blog.

Produce a mind map or poster of what you have learned.

Make a Quiz for someone who has read the book / watched the program. What are the 10 most important questions? Remember and produce an answer sheet too.

Think of thing you could do to overcome a problem that has been highlighted in work that you have read or watched. E.g. Reduce the impact of climate change after watching "An Inconvenient Truth."

Find examples of Science Fiction that became Science Fact.

Reply on the forum about things you have enjoyed; recommend them to a friend...

E.g. <https://www.digitaltrends.com/cool-tech/10-predictions-isaac-asimov-got-right-50-years-ago-5-botched/>

Make a:

- **garden birdfeeder.** [Click here.](#) Other designs are available. Now is a good time to help the birdlife build their energy stores before the nesting season.
- **Sundial** (www.wikihow.com/Make-a-Sundial)
- **Rocket** (www.wikihow.com/Make-a-Rocket)
- **Conduct a bug hunt in the garden. Creating own keys to identify the animals you find.**
- **You could do the same activity with plant leaves, including doing some leaf rubbings.**

Tasks

Using a blank map of the world, write down as many countries, continents and oceans as you can remember from memory.

Research the physical and human geography of a country that we have not studied. Produce a infographic of your findings.

Produce a model showcasing the physical processes/landform that you have studied.

KS3 History Super Curriculum

Books

Good books to read:

Year 7

The Yelling Stones by Oskar Jensen – Viking princess Astrid resists her brother's attempts to bring Christianity to Denmark in A.D.958.

The Sea of Trolls by Nancy Farmer – Jack is kidnapped by berserkers from his Saxon village in the year A.D.793, an occurrence forewarned by his mentor, the Bard.

Captured by Viking chief Olaf One-Brow, Jack and his sister Lucy are swiftly taken to the court of Ivar the Boneless.

The Raven and the Cross by John Tully – about Vikings in Britain in the time of King Alfred.

The Chosen Queen by Joanna Courtney - 1066, three Queens, one Crown. As a young woman in England's royal court, Edyth, dreams of marrying for love. but political matches are rife while King Edward is still without an heir and the future of England is uncertain.

Anglo-Saxon Boy by Tony Bradman – a story of 1066 woven around Magnus, young son of the Earl of Wessex.

Robin of Sherwood by Michael Morpurgo – Beneath the roots of a great oak tree, a boy finds a hunting horn, bones and a skull. Clutching these objects, he has a dream and relives Robin's story.

Year 8

Treason by Berlie Doherty - Will's father is imprisoned by Henry VIII, accused of treason and Will is forced to go into hiding in the back streets of London.

The Prince and the Pauper by Mark Twain – Edward Tudor, heir to the throne, and Tom Canty, a poor boy, change places.

The Three Musketeers by Alexandre Dumas – A classic tale about young D'Artagnan and inseparable friends Porthos, Athos and Aramis, at the time of Louis XIV of France.

Hornblower by C.S. Forester – There are actually many classic tales of Horatio Hornblower and his life at sea with the Royal Navy.

Freedom by Catherine Johnson – 12-year old Nathaniel is a slave, sent to England. Life in London is tough and Nat seizes the first opportunity to escape. He hears the story of The Zong, a ship where the crew murdered 133 slaves.

The Tale of Two Cities by Charles Dickens – A classic set against the backdrop of France before and during the Revolution that began in 1789.

Year 9

Love and War by Theresa Breslin – A group of teenage friends picnic in 1914 as their lives are about to be turned upside down.

The Rasputin Dagger by Theresa Breslin – A love story set against the backdrop of the days leading to the Russian Revolution.

Medal for Leroy by Michal Morpurgo – Inspired by the true story of Walter Tull, professional footballer and the first black officer in the British Army.

Ashes by Kathryn Lasky - Gabriella favourite pastime is reading. But then her country's tensions rise, the streets fill with soldiers, Gaby's sister's boyfriend raises his arm in a Heil Hitler salute and a family friend - Albert Einstein - flees the country. Can she keep reading?

The Extra by Kathryn Lasky - one ordinary afternoon, fifteen-year-old Lilo and her family are suddenly picked up by Hitler's police and imprisoned. Then Lilo is chosen by filmmaker Leni Riefenstahl to work as a film extra.

Goodnight, Mr Tom by Michelle Magorian – A young evacuee leaves a terrible life and finds a loving home with a gruff, kindly man, but what will happen when he has to return home?

The Book Thief by Markus Zusak – Narrated by death. Fostered, with parents taken away, a young book thief called Liesel lives in a community in Germany that death is visiting.

Films

<ul style="list-style-type: none">Life of Pi by Yann MartelThe Little Prince by Antoine de Saint-ExupéryThe Lion, the Witch and the Wardrobe by CS LewisThe Book Thief by Markus Zusak (Hiding and helping Jewish people during the Holocaust)The Lord of the Rings by J.R Tolkien (Problem of Evil, Conflict between death and immortality)Diary of Anne FrankI am Malala by Malala YousafzaiChildren's Letters to God by Stuart HampleThe Shack by William P YoungA good kind of trouble – Lisa Moore Ramee	<p>Documentaries (You Tube)</p> <ul style="list-style-type: none">The Big Questions- Nicky Campbell hosts a series of moral, ethical and religious debatesAround the world in 80 faiths- Pete Owen Jones presents the definitive guide to faith on earth, with eighty rituals across six continents in the space of a year. <p>BBC iPlayer-</p> <ul style="list-style-type: none">Sacred spaces- Find out what people do for faith in the most spectacular sacred places on the planet.I am Greta – Documentary which supports the concepts of stewardship, whilst looking at an inspirational young person.Home - RE: Online (Click on the 'Subject Knowledge' tab)KS3 Religious Studies - BBC BitesizeBBC - Religion: Religions	<p>Things to do:</p> <p>Option 1: Research a film, documentary, podcast or book that is not on the list. Write a review and a letter to your RE teacher explaining why this piece of media should/should not be included in the RE curriculum at BRS.</p> <p>Option 2: Get creative! Why not try producing your own short story, blog, script or artwork. Choose any religious theme of your choice. Here are some ideas: Evil and suffering/ Belief in God/ Prejudice and discrimination / Creation and stewardship/ The Bible/ The Church/ World faiths</p> <p>Option 3: Research and create an informative leaflet about a religious festival/celebration that takes place in the months of Jan/Feb/Mar. You can choose any religion or festival and should include details of what it celebrates, how it is celebrated and what it means for believers.</p> <p>Option 4: Choose any religion you have never studied, this could be a small religion, an ancient religion or one of the major religions. Produce a PPT/leaflet/poster about your chosen religion which includes information on beliefs, practices, festivals, food, clothes, people etc.</p> <p>Option 5: Carry out a survey with family or friends (in a covid safe way) about their views on God, religion, life after death, religious experiences and anything else you fancy connected to religion. Collect your findings and write a report on them. What can they tell us about religious belief in the modern world?</p>
