

Welcome

It gives me great pleasure to welcome you to Blessed Robert Sutton Catholic Voluntary Academy.

As a school community we pride ourselves on the fact that our students are happy and enjoy the experience of learning with us in all kinds of ways. As a great school we realise that achievement comes in many different forms and we are committed to ensuring that your child has every opportunity to flourish, grow in confidence and make the most of their individual gifts and talents.

Our students are inquisitive and engaging young people of all abilities and backgrounds. We have achieved great exam results. These have come from hard work and a focus on really high expectations of staff and students because we know that this is what they deserve. Our students are incredible and deserve amazing teachers, quality lessons and the right levels of support. Our 'BRS journey' allows students to develop their character as well as their academic journey through school. We give students the opportunity to take part in enrichment activities such as music and sport.

The collaboration and relationships between students, parents and school is key to our success as a learning community. Communication is central to these relationships, which is why my colleagues and I will always be available to discuss the education and personal development of your child. We know that your son or daughter's education is precious and as teachers we are privileged to play a part in helping shape so many exciting futures. At Blessed Robert Sutton this is a responsibility that we fully embrace.

Come and visit us if you would like to see any of these things in action!

Laura O'Leary

About Me...

In School I enjoy:

I need help with

I am happy with

I am good at

When I leave school I want
to

After my first day....

What was the best thing about school today?

Who did you make friends with?

What is one thing you did really well today?

What was your least favourite thing?

What is one thing that you learnt today?

How can we make tomorrow even better for you?

After my first week....

What was the best thing about school?

Who did you make friends with?

What is one thing you did really well?

What was your least favourite thing?

What is one thing that you learnt?

How can we make tomorrow even better for you?
