Great Teaching

- All teachers need to improve not because they are not good enough but because they can be even better.

Uniform bundle

We have worked with pupil school wear to provide all Year 7 2023 Starters the following uniform bundle:

- Blazer
- Tie
- Sports Polo Shirt
- Sports Short

All parents should of received a letter which has all the key information on how to purchase the uniform. If you have not received this letter please email: transition@brs.srscmat.co.uk

Uniform information

Tie

Students transitioning from Key Stage 3 (year 9) to Key Stage 4 (Year 10) will no longer need to purchase a new tie. 'We will become a one tie school.' The only tie available for purchase will be the Key Stage 4 tie, and there is no obligation for students with a Key Stage 3 tie to buy a new one.

Blazer

In addition, we now offer the option to purchase a badge that can be sewn onto any black blazer. Alternatively, embroidered blazers are still available for purchase from our associated school uniform shops. It is important to note that all blazers must have the school badge.

PE Kit

Due to cost considerations, we have decided to remove skorts from our PE kit as they are more expensive compared to sports leggings or shorts. Similarly, the school rugby top has also been removed due to its lack of necessity. Students who already have skorts or the school rugby top can continue using them. Additionally, we have upgraded our optional outer garment to a $\frac{1}{4}$ zip sports top, which costs the same as the hoodie but is expected to be more durable. Students who already have school PE hoodies are allowed to continue using them.
