Saint Ralph Sherwin Catholic Multi Academy Trust Vision

Academies within The Saint Ralph Sherwin Catholic Multi Academy Trust ensure that each child is treated individually and with respect. We lead by the example of our namesake, Saint Ralph Sherwin, a martyr who risked all for his faith, seeking to do the Lord's will "today rather than tomorrow". All academies within the Saint Ralph Sherwin Catholic Multi Academy Trust share the same collective vision:

Vision

We are a Catholic family of schools, working as one. We aim to ensure:

- The best possible education for every child
- To provide Catholic formation which inspires all of us to live a life of service modelled on the Gospels
- To continue to build sustainable and caring communities in which the most vulnerable can flourish.
- To recognise that every member of our community has a vital role to play.

Our Mission

'Growing in faith, serving with love, transforming our world; together in Christ'

Our Core Values

All academies within the Saint Ralph Sherwin Catholic Multi Academy Trust, and members of our Central Team are guided by three core virtues which underpin everything that we do:

- Trust
- Togetherness
- Kindness

6. Policy Details

We are a Catholic Multi Academy Trust which is *"inspired by the life, message and example of Jesus Christ"*. We promote these values by our words and deeds, and Catholic doctrine and practice therefore permeates every aspect of the Academy Trust's activities. We provide a Catholic curriculum, which is broad and balanced, recognising that every pupil is unique and is created in the image of God (Gen 1:27). The curriculums at all our academies are designed to enable every pupil to find their vocation and to be well-equipped to follow it as active citizens in service to the world. Catholic Religious Education is the "core of the core curriculum" (Pope St John Paul II) and the foundation of the entire educational process.

The government set out its definition of 'British Values' in the 'Prevent Strategy' (2011), which aims to address extremism and religious radicalisation of young people. British values are considered to be democracy, rule of law, individual liberty, mutual respect and tolerance of those of different faiths and beliefs. The promotion of 'British values' is central to Catholic education because British values have their origin in the Christian values of our nation.

"We are proud that Catholic schools promote values that are both Catholic and British, including: respect for the individual, democracy, individual liberty, respect, tolerance and inclusiveness. Our schools promote cohesion by serving more ethnically diverse and poorer communities. Catholic schools provide high standards of education which are popular with parents from all social, economic and faith backgrounds. " Paul Barber (Catholic Education Service 15 December 2014).

Within our Trust we recognise, not only the importance of helping students to flourish academically but also spiritually, morally, socially and culturally, so they are fully prepared for life in British society and for their role as citizens, able to make the strongest possible contribution to the Common Good of all. We teach the importance of British values by going much deeper into the meaning of what it means to live a good life, within a framework of Catholic Christian Values. This provides the context and meaning for understanding why British values are important. Our framework for understanding British values draws on the example of Jesus and his welcome and inclusion of all, which is developed in Catholic Social Teaching. The examples that follow are an indication of some of the many ways we seek to embed British values within our Academy Trust and should be seen as an indication of our approach rather than an exhaustive list.

7. The Rule of Law

The importance of laws, whether they are those that govern the class, the academy, the Trust, or the country, is consistently reinforced throughout every day, as well as when dealing with behaviour and through Acts of Worship. The curriculum is designed to ensure students are taught the values and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are broken.

8. Individual Liberty

Students are actively encouraged to make independent choices knowing that they are in a safe, secure and supportive environment. We educate and provide boundaries for students to make choices safely, through the provision of a safe environment and an empowering education. We encourage students to see themselves as unique individuals able to make a unique contribution to building community. Students are encouraged to know, understand and exercise their rights, responsibilities and personal freedoms and receive advice about how to exercise these safely.

9. Mutual Respect

Respect is a core value for each of our academies and is modelled by pupils and staff alike. We promote respect for others, and this is reiterated through our classroom and learning environments as well as extra-curricular activities such as sport. In line with our commitment to democracy, students are always able to voice their opinions as we foster an environment where pupils can debate ideas and are safe to disagree with each other. We encourage students to substantiate opinions and to realise the value of co-operation and consensus as well as decision making through voting. Our emphasis on ethics, fairness and justice means that we ask our students to ensure that they look out for those who might be marginalised and disadvantaged. We take a strong stance on social inclusion and anti-bullying through an explicit focus on strategies to enable respect for difference.

10. Tolerance of those of Different Faiths and Beliefs

This is achieved through equipping students with the ability to develop positive values, understand their own beliefs and their place in a culturally diverse society. We give our students opportunities to experience such diversity within the Academy Trust community and within the wider community. All students experience a connection with other cultures and beliefs through our Religious Education programme. Our Religious Studies curriculum follows the teaching of the Church in providing a broad and balanced education, which includes an understanding of and respect for people of other faiths or none and other religious, cultures and lifestyles.
